

INSTITUTE OF COMPUTER SCIENCE POLISH ACADEMY OF SCIENCES

The **Institute of Computer Science of the Polish Academy of Sciences (IPI PAN)** offers the **MBA program** taught in English and in Polish (two individual tracks) with support from its **Partner**, the **Woodbury School of Business at Utah Valley University (USA)**. This is a prestigious and rewarding postgraduate program for managers and those who inspire to become business leaders as well as people working in public administration and non-governmental organizations. The format of the MBA program allows for working and studying simultaneously.

The MBA program lasts two semesters. It requires **only two visits to Warsaw during one semester** (each time 5 days, from Wednesday to Sunday).

Modules are held in the beginning of April and June in the spring semester and in the end of October and January – in the fall one.

Each module, in addition to lecturers, seminars and workshops, has a not-extra-paid cultural program (theater and museum visits, optional Polish language classes, get-together dinners). What exactly courses are taught may be found on our web-site www.ipi.edu.pl/en

You may commence your studies starting from any module. For instance, if you send us your application documents now, you will begin the MBA program from the **January module** (January 25-29, 2017). The admissions process is simple and straightforward: only the filled-out **application form** is required along with copies of **your ID, Bachelor's diploma** (with transcript) and **CV**.

The MBA program requires completion of four modules and defense of an MBA business project (20-40 pages).

Graduation documents are issued by IPI PAN only. WSB UVU is engaged in curriculum enhancement, teaching selected courses and supervising MBA business projects.

There is ***no application fee***. There is only a one-time payment of **entry fee** (400 PLN) and **competitive tuition fee** – 16000 PLN for the entire MBA program. You may choose to pay in installments.

PhD students from Poland are given a special discount – 50% of the tuition fee!
